

CSCCC Club Vista Poll

Sixty Responses

- The result were as follows:
- 1. Two people at the meetings had Vista
- 2. The great majority plan to wait 'till they get their next computer before they install Vista
- 3. Majority said we should install on teaching machines sometime between June 2007 and June 2008 (17 of 60 said we should not put Vista on these machines.)

- . 4. Majority said we should install it on Club machine this year.
- 5. Majority said we should teach a class by Jan 2008
- 6. Majority said we should introduce Vista at a club meeting this year
